OVERVIEW

The Generic Manufacturing Skills (GMS) WSQ framework aims to raise the professionalism of the manufacturing industry by equipping the workforce with essential generic and portable skills to adapt and be resilient to challenges in the dynamic working environment. It allows employers to access a pipeline of skilled workforce, which provides a competitive Advantage and enables organisation success. It also equips workers with cross-cutting generic manufacturing skills to effectively contribute and progress within an organisation as well as promote mobility across manufacturing companies.

COMPETENCY UNIT

Operate Forklift

FORKLIFT OPERATOR REFRESHER TRAINING (FOR)

FOR WHOM

All qualified forklift drivers are required to refresh their safety knowledge and maintaining safe driving manners in forklift operation every 3 years according to Singapore Standard SS 573:2012 (MOM circular dated on 3 Jan 2025).

They are required to attend 4 hour Asynchronous E-Learning and 1 day in-person workshop.

OVERVIEW

Forklifts are powered industrial trucks used to lift and transport material. However, improper operations can turn it into a lethal weapon. The operator are therefore expected to have the ethic of working safely in all circumstances to prevent workplace accidents.

OBJECTIVE

This refresher course aims to refresh the existing forklift drivers with all the safe driving habits and to reinforce the adherence of all the safety rules and guidelines when operating the forklift, hence prevent workplace accidents.

THEORY & PRACTICAL

Asynchronous E-learning (to be completed before in-person workshop)

- Relevant Workplace Safety & Health (WSH) Legislations / Singapore Standards SS573, applicable to forklift operation
- Refresh on the correct interpretation of the Load Chart
- Forklift Stability
- Pre-Operational & Post Checks on a Forklift Machine
- Techniques and requirements for safe operations
- Highlights on the common safety lapses by forklift operators and the consequences.
- Safety Rules (Do's and Don'ts)

In-person workshop

- Case Studies
- Carry out forklift operations (Practical)

^ENTRY REQUIREMENTS / *ASSUMED SKILLS AND KNOWLEDGE

- ✓ ^Valid forklift driving licence (must have completed "operate forklift" at least 3 years ago)
- ✓ ^At least 18 years of age
- ✓ ^Singaporeans, Permanent Residents or Holders of valid employment pass / work permit
- ✓ *Be physically and mentally fit for the training, without any handicaps

Note :

Those 70 years and above must produce a medical certificate of physical fitness

COURSE DETAILS

Duration : **1.5 days (12 Hours)**
- E-learning (4 Hours)
- In person workshop (8 Hours)
Time : 8am–6pm (In Person workshop)
Course Fee : **\$250 + GST per learner**
Medium : **English only**

CERTIFICATION

Safety course pass will be issued by THT Academy Pte Ltd to the learners who attain the competency level of skill and safety knowledge required.
